Subject: Reference Letter for Prof. Robert Wuagneux

To Whom It May Concern,

I was fortunate enough to have Dr. Wuagneux as a teacher when I got a Graduate Certificate in Teaching and Learning Program at Norwich University

I am more than happy to present this reference letter to you for Prof. Robert Wuagneux as a Student at Norwich University and as a teacher at USEK.

Dr. Wuagneux was inquisitive and always looking for methods and solutions to even the most fundamental issues. His ability to work cooperatively with other cultures was outstanding. His expertise in education is exceptional, and he is always able to connect to educators in Lebanon continually. That inquisitive nature translated very well into his career as a professor and an online facilitator.

Dr. Wuagneux is also extremely dedicated to the concept of education. He feels a strong sense of responsibility to the students in his virtual classes, and he takes their success very personally.

I am available if you need further information. Please feel free to call me at 00961324231 or email me at najatsakr@usek.edu.lb
Sincerely Yours,
